Policy for Lettings

Agreed by members of the Finance Committee on 1 Feb
16

Approved by School's Governing Body
To be reviewed periodically.

FEDERATION POLICY STATEMENT FOR LETTINGS

This document outlines the Federation's philosophy regarding the hiring and charging for non-affiliated groups using the school. The policy was formally drawn up by the Executive Headteacher after a review of current provision and discussions. Its implementation is the responsibility of all members of staff. It was agreed with members of the committee on 1 February 2016 and amended on 23 May 2016. It will be reviewed periodically.

THE SCHOOLS ARE NON SMOKING SITES

Aims

The aim of the policy is to make clear all of the conditions related to the hiring and charging of school premises, including those concerned with Health and Safety.

The Governing Body will make any decisions surrounding whether or not to let the school premises and/or grounds. If the decision is taken to let the school the Governing Body will determine the areas of the school that are available for hire, the categories of users (e.g. commercial, community, educational) and the associated charges. Such details should be recorded in a Scale of Lettings Charges.

Content

Benefit of Extended Services Including Children's Centres

The Governing Body of the Federation has accepted the following recommendations in relation to extended services including Children's Centres.

There are many benefits to the provision of extended services including children's centres not only for children but also for their parents/carers, schools themselves and members of the local community.

Hiring Conditions

This guidance therefore proposes the following for consideration:

1. For extended services commissioned either strategically (by the LA) or locally (by the school or a group of school) that:
 - utilise funds made available for this purpose
 - meet the core offer for children's centres
 - **No charge is made to the provider for the use of the venue/rooms etc.**
2. For community services that are not commissioned by the LA or school/children's centre and are unrelated to the children's centre core offer
 - **The school / centre issues a lettings agreement/contract dependant on the nature of the service delivery and an appropriate charge is made.**

Examples of this type of activity include Weightwatchers, Adult education, lettings of a MUGA by a community group / childcare.

3. In these conditions:

4. 'The Owners' means the Governors of the above mentioned Schools, and 'the Agent' means the Clerk / Correspondent to the Governors or other Agent of The Owners.
5. The 'Hirer' means the person signing the applications form and in addition any organisation for whom he is stated in such form to be acting. The liability under the hiring agreement of such person and such organisation shall be joint and several.
6. A timetable showing the days and times and hirers is held in school.
7. Use of the School premises or the relevant part thereof and entry thereto is limited to the purposes and times stated on the application form and no sub-letting is permitted.
8. The Hirer is responsible for and shall indemnify the Owners against all damage to the School premises and to any property on the School premises occurring during or in relation to the hiring or while persons are entering or leaving the School premises pursuant to the hire, however and by whomsoever caused.
9. The Owners shall not be responsible for any loss or damage to any property arising out of the hiring nor for any loss, damage or injury which may be suffered by or be done or happen to any person resorting to the school premises during or in relation to the hiring arising from any cause whatsoever or for any breakdown of machinery, failure of supply of electricity or gas, leakage of water, fire, government restriction, requirement of Local Education Authority or Act of God which may cause the premises to be temporary closed or the hiring to be interrupted or cancelled and the Hirer shall indemnify the Owners against any claim which may arise out of the Hire or which may be made by any person resorting to the School premises during or in relation to the hiring in respect of any such loss, damage or injury.
10. The right at any time to enter the school premises and remain on the premises during the hiring is reserved to the Owners and the Agent or any police officer.
11. Notice of 2 weeks is required to cancel a letting.
12. The hire charge will be refunded if the Owner cancels the hiring for reasons unconnected to the Hirer.
13. The Hirer shall ensure that good order is kept in the premises.
14. The Owners (by themselves or the Agent) may put a stop to any activity, entertainment or meeting which in their opinion is not properly conducted or which may infringe any of the provisions hereof.
15. No bolts, nails, screws, bits pins, spikes or any other objects shall be driven into the fabric or furnishings of the School premises. No articles may be fixed thereto and there shall be no structural alterations to any stage in the School Hall.
16. The hirer shall at the expiration of the hire leave the School premises in a neat and tidy condition.
17. The Hirer shall ensure that all property brought into the premises for the purposes of the hiring is removed before the expiration of the hiring.
18. No slogans, advertisements, flags, emblems or decorations shall be displayed outside the School premises whether affixed to the same or free standing, without the consent of the Owners (by themselves or the Agent).
19. The hirer shall remove any slogans, advertisement, flag, emblem or decoration displayed inside the School premises if in the opinion of the Agent it shall be unlawful, unseemly or libellous or expose the premises to an undue risk of fire or is likely to lead to a disturbance or breach of the peace.

20. No exits may be blocked or chairs or obstructions placed in corridors or fire appliances removed or tampered with and the Hirer shall ensure that users of the premises are aware of the locations of emergency exits and that the Hirer's staff know the location of fire fighting equipment.
21. Any lights or other electrical apparatus which shall be connected to the electrical installation in the premises shall be properly insulated and fused and electrical plugs and sockets shall not be overloaded.
22. Playgrounds must not be used for car parking without seeking the Owners permission.
23. All the conditions attached to any music and dancing licence and any theatre licence for the School premises shall be observed. A copy of each such licence held may be seen on application to the Agent and the Hirer shall be deemed to have had notice of all such conditions.
24. All legal requirements regarding the sale and consumption of alcoholic liquor, the performing of plays and the exhibition of cinematograph film shall be observed and there shall be no infringement of any copyright subsisting under the Copyright Act 1956. The Owners of the Agents shall be entitled to require proof that the provisions of this clause have been complied with 48 hours before the hiring. All legal requirements of Gaming and Lotteries legislation shall be similarly observed without infringement.
25. Hirers are charged by invoice in advance and for a period agreed at the time of hiring.
26. All scenery and costumes used for stage performances and the like must be fireproofed.
27. **The Owners shall be entitled to make an excess charge equivalent to 50% of the hourly rate for every 15 minutes or part thereof over the agreed hours.**
28. The Hirer shall make provision for such Insurance cover as the Owners or their Agent may require, and shall pay all premiums due thereunder, and produce the original certificates of insurance at 48 hours before the time of hiring.
29. If the Hiring involves pupils of the school, current DBS clearance and background checks are required for all adults involved
30. A copy of insurance certificates will be retained by the school.
31. Any regulations governing the use of the School premises published from time to time by the Owners on the School Noticeboard will be observed.
32. All lettings income is paid into the delegated budget.

HIRING APPLICATION

LETTINGS AGREEMENTS

The attached forms must be

1. Completed by all Hirers before the hiring period begins
2. A new lettings agreement is completed either each year or at the end of the letting period if this is less than a year *lettings for Sports Clubs this period is one term*
3. The lettings agreement must be signed by the Hirer to acknowledge their compliance with the terms and conditions outlined in the policy
4. An authorised representative of the Hirer must also sign the lettings agreement. Governors have nominated the authorised representatives.
5. Every invoice should bear the name of the school, be consecutively numbered, detail the date of the invoice, the dates of hire and the charge, and account for VAT where applicable. The invoice should bear the words "Request for Payment" (If this wording is not detailed any VAT included on the invoice becomes due to Customs and Excise immediately, rather than when the invoice is paid).
6. As detailed in 5 above, VAT may be payable in respect of certain lettings, in particular sports lets. However, sports lets may be exempt from VAT if **all** of the following criteria are met:
 - The session consists of ten or more sessions; **AND**
 - Each session is in the same place (although a different, court or lane or a different number of pitches, courts or lanes at the same ground or premises is acceptable); **AND**
 - The interval between each session is at least 1 day and not more than 14 days (although the duration of each session can be varied). Letting for every Saturday afternoon fulfils this condition but there is no exemption for longer than 14 days which arise through closure, e.g. for public holidays; **AND**
 - The series is to be paid for as a whole. (i.e., no refunds) and there is written evidence to that effect. This must include evidence that this payment is to be paid in full for the series whether or not the right to use the facility for any specific sessions is actually exercised. Provision for a refund in the event of the unforeseen non-availability of the facility would not break this condition but provision for a refund in other circumstances would; **AND**
 - The facilities are let out to a school, club, association or an organisation representing affiliated clubs or constituent associations (such as a local league); **AND**
 - The person to whom the facilities are let has exclusive use of them during the sessions.
7. As evidence of the above, a lettings agreement must be completed. Care should be taken to ensure that the number of weeks in a term permits 10 lets to take place. If this is not possible, VAT must be accounted for on the total hire charge for that lettings period.
8. Refunds must not be given to a hirer who complies with the VAT exemption criteria, and cancels the hire or fails to take up the hire, otherwise VAT must be charged for the whole of the lettings period.
9. An example of a VAT exemption form is detailed at Appendix 3. The form details all of the criteria that must be met to allow the hire to be exempt of VAT. The form should be signed by the hirer in addition to the lettings agreement.

10. Appendix C lists some examples of the common types of lettings in schools and whether VAT should be charged.
11. A record is maintained of all invoices raised and subsequent payments (Appendix 5). Late or non payments are pursued by the Executive Headteacher / Bursar – see school's Bad Debt Policies.

APPENDIX 6

The Federation of Shevington Primary Schools: Millbrook, Shevington Vale, Shevington Community

Safeguarding and Child Protection Statement – October 2016

1. We recognise that our schools play a significant part in the prevention of harm to children by providing them with good lines of communication with trusted adults, supportive friends and an ethos of protection.
2. We recognise that all adults, including temporary staff, volunteers and governors, have a full and active part to play in protecting our pupils from harm; pupil welfare is our paramount concern.
3. All adults, including temporary staff, volunteers and governors, ensure that our schools provide a caring, positive safe and stimulating environment that promotes the social, physical and moral development of the individual child.
4. The Designated Safeguarding Lead (DSL) for the Federation is Mrs Gill Smith who is a member of the Senior Leadership Team. Please contact her via Shevington Community Primary School.
5. Current Deputy Designated Safeguarding Leads (DDSL):
Mrs Karen Tomlinson – please contact her via Shevington Vale Primary School
6. Information about safeguarding leads, training and contact phone numbers are displayed in the staff room of each school.
7. Safeguarding, child protection and e-safety are regular agenda items at staff meetings.
8. All members of staff, volunteers and governors receive regular updates and training, including e safety (cyber-bullying), Child Sexual Exploitation (CSE), Female Genital Mutilation (FGM), Prevent (safeguarding from radicalisation) and recognising the signs and indicators of abuse. The DSL and Deputies receive refresher training every two years. All other members of staff receive refresher training every three years. All staff members have access to face to face training and e-learning via the Wigan Safeguarding Children's Board (WSCB).
9. We support all children to develop personal self esteem and self assertiveness in a variety of ways:
 - We understand that children who feel at risk from cyber-bullying, CSE, FGM and radicalisation may find it very difficult to talk about their experiences; hence our varied and individualised support for pupils.
 - We tailor our provision to the needs of individual pupils. This includes access to Nurture Groups, P4C Groups and individual support from a 'trusted adult' for our most vulnerable and in need pupils.
 - We ensure that pupils and parents understand what is meant by bullying via workshops and questionnaires.

- We ensure that pupils and their parents understand what is meant by emotional and mental welfare.

10. We follow the Threshold of Need documents.

Therefore we work closely with:

- Start Well
- Early Help
- Social Care

11. We recognise that all matters relating to child protection are confidential.

Information is disclosed about a child to members of staff on a need to know basis only.

12. All staff including temporary staff, volunteers and governors, know that they have a professional responsibility to share information with other agencies in order to safeguard children.

13. We acknowledge that staff must only ever use physical intervention as a last resort, when a child is endangering him/herself or others, and that at all times it must be the minimal force necessary to prevent injury to another person. 'Front line' staff members receive initial Team Teach training on appointment, with refresher training offered every three years.
