Dear Parents and Carers

**From September there will be no more assessment using 'levels'**  
***What will this mean for my child?***

In January I promised that we would hold another Parents'/Carers' Forum before the end of the year.

Last time we had a splendid turn out at Shevington Vale. So this time I am opening it up to all Federation parents and carers.

We are currently grappling with '**life after levels**' as for many years these have been such a big part of our system for measuring how well the children are doing.

***So what happens when we can no longer use levels?***

We don't yet have all the answers and we would love to know what you think.

**So we are holding our second Parents'/Carers' Forum about ASSESSMENT**  
**on**

**Thursday 25 June 2015 starting at 6.30pm at Shevington Community Primary School.**

**Please come!**

The Forum is an opportunity for you to chat informally to other parents and carers and to staff, to share your ideas and to ask questions. In this way we can find out what **you** think about this important topic.

***Once again the evening will be very informal and there will be nice refreshments.***

Our heads of school and I will tell you something about our plans so far for assessment but most of the time will be taken up with discussion and questions. Please come!!!

Yours sincerely

Gabrielle Gray

Please note - this event is for parents and carers and is not on this occasion appropriate for children.
