24 October 2014

Dear Parents / Carers

Following a period of consultation I can inform you of the decision made by the two Governing Bodies during meetings on the 21 October, when they unanimously agreed to form a three school Federation.

As a consequence meetings have taken place to establish the structure and membership of the new Federation of Shevington Community Primary Schools (F.S.C.P.S.) including elected officers and appointed roles.

The full article of governance with named members will be published on all three school websites. It is appropriate at this time to offer our gratitude to all of those who served as governors on the individual bodies over many years. Most have made the transition to the new governing body.

All of the parent / carer responses to the consultation and views of staff were considered. A summary of these will be sent to you after the half term break. The governors will also include an overview of our strategic approach and how this may resolve the concerns voiced by some parents / carers.

Yours sincerely

on behalf of the Governing Body
