Part A: Pupil premium strategy plan

Statement of intent

At Millbrook

We want to see the attainment gap between the disadvantaged and the non-disadvantaged children to narrow and close.

All disadvantaged pupils to make or exceed nationally expected progress rates.

To support our children's health and wellbeing to enable them to access learning at an appropriate level.

It is our intention ensure all children experience great teaching and careful planning by a well- prepared staff that is underpinned by quality first teaching and learning supported by recent research. This develops an evidence informed team of professionals in school.

We make sure we make a difference to those children whose lives may develop encounters to learning and/or enrichment opportunities by further supporting their individual needs with the right type of support enabling them to make progress in their learning.

An ethic of excellence and quality is at the heart of what we do at Millbrook including all the experiences that we provide whilst in our care- it's our mantra- this is what we do here at Millbrook.

Achieving good progress and maximum potential is our aim regardless of any barriers- this applies to all children not just our disadvantaged pupils.

This intent is recognised by the implementation of the provision the child experiences fulfilling the requests on the Pupil Premium Pupils one page profiles- our pupil voice.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenges in 2021-2024
1	Attitudes to learning -especially resilience
2	Confidence to face failure
3	Specific academic weakness

4	Emotional Issues and well being

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Due to COVID-19, performance measures have not been published for 2020 to 2021, and 2020 to 2021 results will not be used to hold schools to account. If last year marked the end of a previous pupil premium strategy plan, what is your assessment of how successfully the intended outcomes of that plan were met?

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	N/A
What was the impact of that spending on service pupil premium eligible pupils?	N/A

We purchased GL Assessments as a summative measure of our pupils and despite lockdown we assessed all pupils in May 2021 to gather some data.

In May 2021 16/17 Pupil Premium children were able to be assessed in English and Maths

There is no National Data for 2020 or 2021

Class	No of PPG pupils	ARE+	GD
R	2	100%	0%
1 English	4	100%	
1 Maths	4	100%	
2 English	2	50%	
2 Maths	2	50%	
3 English	4	100%	25%
3 Maths	4	100%	25%
4 English	2	100%	50%
4 Maths	2	100%	50%
5 English	5	80%	
5 Maths	5	80%	

6 English	3	33%	33%
6 Maths	3	33%	33%

Due to such small numbers data is skewed and is difficult to measure as a group so we have to evaluate provision on an individual level.

An attempt to benchmark

In 2018-19 in the Y6 cohort the highest Greater Depth % was 24%
The highest Age Related Expectation was 68%

There were 3 PPG children in that cohort

From glancing at the above data it appears that we provide well for individual needs
